

May 2016

To Whom it may Concern:

Due to scheduling I am unable to attend the hearing for the renewal of K & K's beer license.

I am aware of training classes but the employee turnover is so high it is difficult to get to the point of sending new hires.

Attached is the statement new employees read and sign. I also verbally express the importance of carding customers. I train to card customers they do not know. I set a good example. I can't fix carelessness.

Thank you for your consideration.
